Patient Portal

Magruder Hospital is now offering patients easy and private access to their medical information online, so you can view your personal health records whenever and wherever you have internet access. This portal can be viewed online at magruderhospital.com or by downloading the HealtheLife app.

However you choose to access the portal, website or by the app, you will see your private health information and receive periodic updates and reminders from your doctor or certified nurse practitioners on your email address.
