

the captain

USCG Licensed Mariner
Master 25 GRT
Aux Sailing Endorsement

Robert was first introduced to sailing as a kid during a family vacation to Lake Wallenpaupack and immediately took to the sport. As an adult he moved from Pennsylvania to Ohio. He found himself living on an old rock quarry and bought his first boat; a daysailer sloop that he avidly sailed in his spare time. That sparked his drive to combine sailing and his love of travel; soon finding himself sailing The Great Lakes.

During the sailing season in the midwest Robert focuses on teaching sailing, charters, and boat deliveries on The Great Lakes. He also likes to spend his free time sailing the waters of Lake Erie aboard his 29' sloop, Christina. Robert is also an avid competitor and can often be found participating in sailing regattas around the midwest and beyond. Most recently, that has turned into international competition, where he crewed the vessel Lunasea for the 2019 Conch Republic Cup, an international 3 race regatta where crews compete in both U.S. and Cuban waters.

When the midwest is out of season Robert focuses on sailing charters, SCUBA dive charters, and boat deliveries on the waters around Florida and The Bahamas.

Capt. Robert has more than 30,000 nm at sea.

Foggy Dew Sailing offers yacht delivery services for power and sail vessels. Our area of operation includes the Great Lakes, U.S. East Coast, Florida Keys, Bahamas, and the Caribbean.

No two yacht deliveries are the same and we always strive to tailor an agreement that best fits you and your vessel's needs. We offer competitive rates to get your boat where you need it, when you need it. For short transports we offer rates starting at \$100. For more comprehensive yacht delivery services please contact us to receive a detailed quote or request one online. The delivery contract is available on our website at foggydewsailing.com.
